

# DUAL DISPLAY FLOOR STAND

MDS4265-02

**Supports up to 136.4kg**  
**Suitable for most displays - 40" to 65"**

PLEASE CHECK THE WEIGHT CAPACITY AND  
VESA IS COMPATIBLE WITH YOUR DISPLAY

**Adjustable screen height**  
Adjustable screen height from 55.1" to 67". Slide along the aluminium main post for the perfect viewing level.

**Standard video tray**  
Steel video tray which can hold components up to 10lbs (4.5kg) and can be adjusted vertically within the slot for perfect video conference position.

**Adjustable AV shelf**  
The steel shelf holds AV components and accessories up to 25lbs (11.4kg). Adjust it vertically between the 2 columns for the height you require.

**Integrated cable management system**  
Internal cable management allows cables and wires to be routed inside the column for a clean, clutter-free look.

**Swivable caster brake wheels**  
With 4" heavy duty swivelable castor brake wheels, move your screen into position easily.

Full welded, high tensile heavy gauge steel base with white powder coat finish provides rigidity and stability in use.

**Double Posts design**  
Two solid aluminium alloy columns provide stable and rigid support for your screen.

| Screen Size | Max load | VESA pattern      | Tilt angles | Swivel angles | Height adjustment      | Materials used                                 |
|-------------|----------|-------------------|-------------|---------------|------------------------|--|
| 40" - 65"   | 136.4kg  | 200*200-600*500mm | 0°          | 0°            | 55.1"-67"(1400-1700mm) | Aluminum alloy and High tensile strength steel |
