everyone**

# MINISTRY OF DEFENCE U.A.E

## CLIENT

UNITED ARAB EMIRATES  
MINISTRY OF DEFENCE

الإمارات العربية المتحدة  
وزارة الدفاع

## REQUIREMENT

The requirement was for a multi-touch solution suitable for busy environments that supported Windows applications with an easy learning curve.

## THE SOLUTION

IBT provided 84" interactive displays with integrated Windows PC modules with fixed wall mounts. IBT's digital whiteboarding software, recently rebranded to 'Nuc' was also provided along with the Windows Operating System.
